Mr James Gummery  
Strategic Planning & Design  
Enfield Council

22<sup>nd</sup> May 2018

Dear Mr Gummery,

Further to the provision of Background Documents on the Examination website. The Inspector has noted that the Council have uploaded only some of the Background Documents, referred to in the submission pack, onto the examination website. She also notes that a number of the Background Documents listed are of some age, and in some cases, appear to have been superseded with later updates. With this in mind she has asked me to contact you to clarify whether the Council consider it appropriate to revise the Background Document list or whether the Council intends to upload all the referred to documents onto the website? Some clarification of the Council's intentions would be appreciated.

Notwithstanding this, the Inspector requests that links to the following referred to documents are provided on the examination website:

- GLA London Industrial Land Demand Study 2017,
- GLA London Industrial Land Supply and Economy Study,
- GLA Strategic Housing Market Assessment 2017,
- Enfield Affordable Housing Economic Viability Study 2014 - (If this is the most up to date available),
- The 2016 Strategic Housing Market Assessment (SHMA) - (If the 2017 SHMA is not yet available),

The Inspector has asked for you to also include the GLA Upper Lee Valley Opportunity Area Planning Framework within the background documents to be uploaded onto the website

The Inspector has requested a response by Friday 25<sup>th</sup> of May.

Yours faithfully,

*Jacqui Glover*

Programme Officer
